

Memorial of

MARY HITCHCOCK

DIED

July 12 1871

A 62 Yrs

What is left to state is spun
Softer than the eagle's flight
What the boasted age of man
Vanishing beneath the sight

MARY HITCHCOCK

DIED

Dec. 11 1869

A 20 yrs.

She lived as if of a more full hour
She died as if of a more full day
And now her spirit floats about
As bright in the skies.

RACHEL MITCHELL

Dec. 11. 1869

A 20 yrs.

*She lived as best we can see
She died as Christians die
and now her spirit floats about
in heaven in the skies.*
