Children of
 Samuel & Fanny Pickett

These children were the result of a union between a man and a woman who were both in the service of the Lord. They were born in a remote part of the world, and their names are recorded in the book of life. They were all dear to their parents, and their deaths were a great loss to the family. Their souls are now in the hands of the Lord, and we trust they are all in glory.

Thus they give to the grave names that had left us
For a brieflet space a name and that pass in the sky
Then why should we weep? Since God will be
To buy all we are left in our business to rest
