1. AUTHORITY

On February 6, 2017, the Council of the Municipality of Thames Centre adopted By-law No. 13-2017 to authorize the use of an alternative voting method, that being the Telephone/Internet Voting method; and to enter into an agreement with Intelivote Systems Inc., an eVoting Service Provider for the Telephone/Internet Voting service for the 2018 Municipal & School Board Elections.

The Municipal Elections Act, 1996, as amended, more specifically subsection 42(3), states as follows:

Procedures and forms

The Clerk shall,

- a. establish procedures and forms for the use of,
 - i. any voting and vote-counting equipment authorized by by-law, and
 - ii. any alternative voting method authorized by by-law; and
- b. provide a copy of the procedures and forms to each candidate when his or her nomination is filed.

Subsection 42(4), states that the Clerk shall provide the procedures and forms on or before December 31 in the year before the year of the election.

Subsection 42(4), states that the procedures and forms established by the Clerk, if they are consistent with the principles of the Municipal Elections Act, 1996, as amended, prevail over anything in the Act and the regulations made under it.

Subsection 11(2) of the Municipal Elections Act, 1996, as amended, states that the Clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

- a. preparing for the election;
- b. preparing for and conducting a recount in the election;
- c. maintaining peace and order in connection with the election; and
- d. in a regular election, preparing and submitting the report described in subsection 12.1 (2).

With respect to the duties and authority of a Municipal Clerk, the Municipal Elections Act, 1996, as amended, further states as follows:

- a. 12(1) A Clerk who is responsible for conducting an election may provide for any matter or procedure that,
 - i. is not otherwise provided for in an Act or regulation; and
 - ii. in the Clerk's opinion, is necessary or desirable for conducting the election.

- b. 12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.
- c. 12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications, including citizenship or residency, or of any other matter.
- d. 13(1) Any notice or other information that this Act requires the Clerk to give, shall be given in a form and manner and at a time that the Clerk considers adequate to give reasonable notice or to convey the information, as the case may be.
- e. 13(2) The Clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies. Since the purpose for the use of the alternative voting, being Telephone/Internet Voting, was to eliminate proxies, By-law No. 13-2017 of the Municipality of Thames Centre stipulates "no proxy provisions are applicable for municipal elections conducted in accordance with this by-law". Therefore, with respect to proxies, a person cannot give his or her Voter Information Letter to another eligible elector or other individual for the purpose of voting. Acceptance of a Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provision under the Municipal Elections Act, 1996, as amended.

The Municipal Elections Act, 1996, as amended, more specifically Section 53, also provides that the Clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election from being conducted in accordance with this Act and provides the authority to the Clerk to make arrangements for the proper conduct of the election. Any arrangements made by the Clerk, if they are consistent with the principles of the Municipal Elections Act, 1996, as amended, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as Clerk of the Municipality of Thames Centre and Returning Officer for the 2018 Municipal & School Board Elections, I do hereby certify and approve the following procedures for conducting the 2018 Municipal & School Board Elections and also establish that the attached forms are the forms permitted to be used during this election process.

The requirement to submit 25 nomination signatures does not apply to candidates running for school board trustee positions.

To avoid suggestions of conflict and to protect the integrity of the election process, Municipal Staff are deemed to be ineligible to endorse a nomination of a person for an office on Council.

All candidates must provide designated Election Officials with proof of identity and qualifying address within the municipality when filing a nomination. If an agent is filing on behalf of a candidate, the agent must provide a copy of the candidate's proof of identity as well as their own.

Candidates must also complete the 'Declaration of Qualification' Form. It is the responsibility of the candidates to ensure that they are qualified to seek the office for which they are being nominated.

The Clerk shall post a “Notice of Additional Nominations” advising that additional Nominations Papers may be filed for that office during the specified time. If at 2:00 p.m. on Wednesday, August 1, 2018, additional Nomination Papers have been filed, the procedure to certify or reject Nomination Papers shall be followed.

The report displays in real time the sum total of votes cast for each candidate running for an office. The timing of this report activity ensures that all totals for all candidates, confirms zero (0) votes before the electronic election begins.

The eVote will be activated unless any of the counts associated with the candidate names do not indicate a zero total, and unless directed otherwise by an election official.

12.3 Candidates or their scrutineer may be present to verify and ensure that all totals of votes cast are at zero (0) and shall be permitted to sign a document that attests to this fact.

This capability does not provide the candidate or their designate information on *how* a voter has voted, only if they *have* voted in the election. A voter who has voted at least one race during an election is considered a participant.
- 12.6 Candidates or their scrutineers may view this information any time after the start time of the election.

 - e. whose PIN on the Letters were set to a status that prevented them from being validated in the voting process.

- 12.11 Where an eligible voter has attempted to validate his or her PIN and they have determined that the PIN has already been used, the voter can attend the location determined by the Clerk, bringing satisfactory identification and have an election official confirm that the PIN has been used by an impersonator.

Prior to authorizing the re-issuance of a new Voter Information Letter which contains a new PIN, the voter shall be required to respond and answer any and all questions from the election official. The election official shall document, to his or her satisfaction, questions and answers of the voter and, if deemed appropriate, the Clerk shall submit same to the Ontario Provincial Police for further investigation and prosecution.

If the election official believes that all questions have been answered truthfully and to his or her satisfaction, the election official may authorize the provision of a new Voter Information Letter which contains a new PIN or, at the discretion of the election official the elector will be required to make a declaration as to his or her statement and take an oath which shall be given by the election official. - 16.1 Sections 89 and 90 of the Municipal Elections Act, 1996, as amended, provides for penalties and enforcement of corrupt practices and other offences during an election process.
- 16.2 Although the Municipality of Thames Centre will be using an alternative voting method, being Telephone/Internet Voting, the principles and the integrity of the election process will remain and is enforceable.
- 16.3 Section 89 of the Municipal Elections Act, 1996, as amended, continues by stating:

- 16.4 No person(s) shall solicit a Voter Information Letter from an eligible elector. All valid complaints or knowledge of solicitation shall be reported immediately to the Ontario Provincial Police for investigation of corrupt practices.

- 16.5 In addition, under the provisions of Section 90 of the Municipal Elections Act, 1996, as amended, if a person is convicted of an offence and the offence was committed knowingly, the offence also constitutes a corrupt practice and the person is liable, in addition to any other penalty, for a term or imprisonment not more than six (6) months.
- 16.6 Although many provisions of the Municipal Elections Act, 1996, as amended, also deal with voting places, ballots and ballot boxes, etc. the same must be used interchangeably with the “alternative form” of voting since the principle of the Act must be maintained and is therefore enforceable and subject to penalties.
- 16.7 As such, the Municipal Clerk of the Municipality of Thames Centre in this alternative form of voting, has agreed to the following rules and regulations:

- 17.1 The Criminal Code of Canada states that tampering with the mail of an individual is a criminal offence and a person(s) found guilty is liable to a term of imprisonment not exceeding ten (10) years.
- 17.2 Since the Municipality of Thames Centre will be using an alternative voting method, that being Telephone/Internet Voting, and the notification of the voting process and how electors can access the voting system in order to exercise their right to vote will be completed through the mail, mail tampering is a criminal offence under the Criminal Code of Canada.
- 17.3 As such and in order to ensure the integrity and confidence of the voting process for all electors and the candidates, the Municipal Clerk of the Municipality of Thames Centre in this alternative form of voting has agreed to the following rules and regulations:
- a. THAT all complaints about actions which may contravene the provisions of the Criminal Code of Canada with respect to mail tampering, either verbally or written, will be investigated by the Clerk;
