Recycle more than ever before.

As of January 1, 2026 the Ontario Government has shifted to a model of Extended Producer Responsibility.

Municipalities no longer manage residential recycling - that is now the responsibility of Circular Materials. To find out more about what items can and can't be recycled, residents can visit the Circular Materials website. You can also download their mobile app from [www.circularmaterials.ca/app](http://www.circularmaterials.ca/app) for service alerts and reminders.
