

January 20, 2026

**Municipality of Thames Centre
Notice of Public Information Centre (PIC)
Porter Subdivision Phase 3 – Catherine Street: Shaw Road to St. David Catholic School
Dorchester, Ontario**

The Municipality of Thames Centre invites property owners to a Public Information Centre (PIC) regarding the design and construction of the Porter Subdivision Phase 3 watermain replacement, storm sewer and sidewalk installation project.

The PIC is being held to receive feedback regarding the project design, construction timing, and to engage with Municipal and Consultant staff involved in the project. The location and date of the PIC are listed below:

**Wednesday, February 11, 2026 – 5:00 pm to 7:30 pm
FlightExec Centre – Lions Den
2066 Dorchester Road, Dorchester, ON, N0L 1G2**

The PIC includes a **short presentation commencing at 5:15pm**, and will then move to an open house format (for those who are not able to attend during the presentation), with Municipal staff and Consultants available to answer your questions and concerns.

The 2026 Porter Subdivision Phase 3 project includes:

- Watermain replacement and upsizing from Shaw Road to St. David Catholic School;
- Installation of sidewalks on the north side of Catherine Street, from Shaw Road to the existing sidewalk network at Northdale Public School;
- Installation of storm sewers adjacent to the sidewalk on the north side of Catherine Street;
- Upsizing of the existing storm sewer on the south side of Catherine Street from Ruth Street to the outlet near 3581 Catherine Street; and
- Concrete culvert extension at the Dorchester Conservation Area to facilitate sidewalk installation over the existing watercourse.

For further information on this project, please contact:
