These fees are deposited into the Care and Maintenance fund, as required under the <i>Funeral, Burial and Cremation Services Act, 2002</i> and Ontario Regulation 30/11.			

Notes on Monuments and Flat Markers

Only one (1) upright monument is permitted to be erected on a lot. All monuments will be placed at the head of the lot. The base of a monument on a single lot cannot exceed two-thirds (2/3) the width of the lot on which the monument is erected. On a double lot, the base of a monument cannot exceed (4') or 48" in width. On multiple lots (ie. three, four, etc.), the base of a monument cannot not exceed five feet (5') or 60" in width. The height of a monument, including the base, cannot exceed four feet (4') in height. The Cemetery Operator makes the necessary arrangements for the construction of foundations for monuments. No upright memorials are permitted in the area designated for "Flat Markers Only" (Memorial Lots/Urn Garden).

At a single or double lot, including the 'Flat Markers Only' (Memorial Lots) section, a flat marker cannot exceed two-thirds (2/3) the width of the lot, including the casing or cement border, on which the marker is installed. A flat marker may be placed at the foot of the lot that contains an existing upright monument as long as it does not exceed 2/3 the width of the lot on which the marker is to be installed. Also, a flat marker may be placed at the head of a lot provided there is no upright monument erected on said lot. The maximum size of markers on single lots in the Garden (Urn) sections cannot exceed 24" x 12", including the casing or cement border. The minimum thickness for flat markers including footstones is 4 inches or 10 cm. At the head of a lot, the length of a marker must not exceed 16". At the foot of a lot, the length of a marker must not exceed 14".
