

---

August 7, 2025

To: Residents of Cobble Hills Road

Please be advised that the Township of Zorra will be grading and packing the road on Monday August 11<sup>th</sup> before paving. Brantco will now be starting to pave base coat on Tuesday August 12th starting at Hwy #7 around 6:30am and then topcoat on August 13th. Hopefully no more date changes, and if there is I will notify everyone.

We will notify Emergency Services and the garbage/recycling contractor of this closure.

We will do our best to minimize disruption and ensure public safety is not compromised. Please be patient during this work and please respect all workers on the job site.

Derek Collins will be the Foreman on this project. Should you have any questions or comments, please contact Derek at 519-485-2490 ext. 7260 or myself.

Sincerely,

Steve Oliver CRS-I  
Director of Public Works  
519-485-2490 Ext. 7227
