Municipality of Thames Centre
NOTICE OF PROJECT AWARD
King Street Storm Sewer Upgrade and Road Urbanization

June 17, 2026

Dear Property Owner,

The Municipality of Thames Centre hereby notifies affected property owners that, at the Council Meeting held on June 15, 2026, Council approved the recommendation to award the **King Street Storm Sewer Upgrade and Road Urbanization** project (from Nissouri Road to Wye Creek Bridge) to the lowest bidder, **Blue-Con Construction**.

The Municipality is finalizing an agreement - once the agreement is executed, the Municipality will provide the Contractors' updated construction schedule. **This detailed information will be mailed to all affected property owners and posted on the Municipal website.**

Project information, including drawings, schedules, and updates, will be available at:

<https://www.thamescentre.on.ca/KingStreetUpgrades26/>

We understand that construction will create temporary disruptions. Our goal is to minimize impacts to residents while delivering critical infrastructure improvements.

If you have any questions or concerns, please contact:
