

## **BUILDING DEPARTMENT INSPECTION** **REQUEST - COVID 19 SCREENING** **QUESTIONS**

To ensure the safety of all Thames Centre Staff and all workers on construction sites, the Building Department will be screening all construction sites and workers on each site prior to scheduling any inspection.

These questions must be reviewed at the time of request for inspection. If any of the below answers change prior to the inspection occurring or prior to the inspector arriving onsite, the site supervisor or worker onsite must report the change to the Building Department. Any answers yes may result in the inspection not being conducted.

1. Do you have any of the following symptoms: Fever / Feverish, new or existing Cough, and or any difficulty breathing?

Yes            No

2. Do any workers onsite have any of the following symptoms: Fever / Feverish, new or existing Cough, and or any difficulty breathing?

Yes            No

3. Have you traveled outside of Canada or been outside Canada within the last 14 days?

Yes            No

4. Has any workers onsite traveled or been outside Canada within the last 14 days?

Yes            No

5. Have you been in contact with a confirmed or probable case of COVID-19?

Yes            No

6. Has any person or workers onsite been in contact with a confirmed or probable case of COVID-19?

Yes            No

By answering these questions, you are helping to protect the public and to promote a safe working environment.

Thanks – Thames Centre Building Department.
