

# Thorndale Lions Community Centre Fundraising Initiative

Dear Business Partner,

As you are likely aware, the **NEW** Thorndale Lions Community Centre is moving full steam ahead with shovels in the ground to come within the next few weeks.

This is a very exciting time for Thorndale and we are reaching out to our business community to offer an opportunity for you to help fund the necessary extras of the centre that are not being budgeted for in the build. In return we can prominently and permanently showcase your company name at the entrance of one of many rooms in the building.

Please see the options below and let us know if you would like to participate in this very worthy venture; all donations will be well-received, and much appreciated. This is an excellent way to show Thorndale that you are invested in the well-being of the community.

Please note that the room slots available are limited, and that we will be working on a first-come-first-serve basis; if you happen to miss out on the rooms available for naming, we will still prominently display your generosity within the building and also on engraved bricks that will form a pathway that will be well used and highly visible to all who visit the Centre.

To participate, please email Dave Graham, chair of the Fundraising Committee, with your choice of room, or an amount outside of the room naming program:

On behalf of the Community of Thorndale, we thank you for your consideration in this event and look forward to seeing you at the grand opening of the new Thorndale Lions Community Centre in early Fall, 2020.
