

Backyard Composting

A simple, inexpensive way to reduce your garbage and make great soil for your lawn & garden.

3 Reasons to compost:

1.

Reduce your garbage

Composting your vegetable and fruit scraps reduces the garbage you send to landfill.

2.

It's easy!

Setting up a composting routine in your household is simple and everyone can participate!

3.

It's good for the environment & your garden.

Less garbage means fewer trucks on the road, less methane gas generated from the landfills, and organic material is returned to the earth.

2 Easy steps to get started:

1 Purchase a composter

Pay for the Earth Machine™ at the municipal office for \$40 (includes taxes).

2 Your composter will be delivered

Municipal staff will deliver your new composter right to your door within a week of your purchase.

The Earth Machine™

- Great for managing fall leaves
- Fruit & vegetable scraps
- Low maintenance

The Municipality will be taking orders
STARTING April 1st.

There is a limited supply of composters.
Composters will be sold on a first come
first serve basis.
