Acceptance of another person's Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provisions under the *Municipal Elections Act*, specifically Sections 89 and 90.

PUBLIC INFORMATION SESSION

The Clerk may coordinate a public Information session, notices and advertisements with other municipal clerks of local municipalities who have adopted a similar alternative voting method.

These Information sessions may be included at sponsored municipal events, fall fairs, sporting events, etc.

VOTING PLACES (SECTION 45)

For the purposes of elections conducted with alternative voting methods, a voting place is not required. Alternatively, the Thames Centre Municipal Office has been identified as a Voter Help Center to assist electors with the voting process, make additions, deletions and corrections to the Voters' List and to provide assistance and clarification on the election process.

VOTER HELP CENTRE

The Voters' List shall be available to Election Officials at the Help Centre in electronic Format to accommodate the voting process.

The Voter Help Centre shall be established at 4305 Hamilton Road, Dorchester, ON N0L 1G3.

The Voter Help Centre shall be responsible for the following:

- a) Eligible voters who attend at the Help Centre and are not on the Voters' List will be added to the list by filling out an "Application to Amend Voters' List" **Form EL15** and providing proof of identity and residence as prescribed in O. Reg. 304/13. Their names will be added to the Voters' List and they will be assigned and delivered a Voter Information Letter containing a PIN; however, for additions to the List made after September 15, 2022, the Voter Information Letter containing a PIN will be provided to the individual.
- b) Eligible voters who attend at the Help Centre will be able to request a replacement Voter Information Letter and PIN under certain circumstances:
 - i) where a person on the Voters' List has lost/not received his or her Voter Information Letter and the PIN has not been used, he or she can attend the Help Centre and prove to the satisfaction of the authorized Election Official that they require a new PIN. The authorized Election Official will disable the elector's assigned PIN and electronically mark it in the system as having been lost/not received. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an Election Official, an oath on "Application for Re-Issue of a Voter Information Letter (Lost and Unused)" **Form EL53** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued.
 - ii) where a person on the Voters' List has attempted to vote and their PIN has already been used, he or she can attend the Voter Help Centre and prove to the satisfaction of the authorized Election Official that they did not vote the PIN and require a new PIN.

Prior to issuing a new PIN, the Election Official shall advise the elector that once the new PIN has been assigned, the elector must vote immediately at the Voter Help Centre. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an Election Official, an "Application for Re-Issue of a Voter Information Letter (Used by an Impersonator)" **Form EL53A** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued. The elector will be directed immediately to the Voter Help Centre where telephone/internet access is available to eliminate any further misuse of the PIN.
- c) Answering election questions and referring detailed questions to the Returning Officer or authorized Election Official.

CANDIDATES MODULE

The candidates shall receive login ID(s) and password(s) allowing them to access the Candidates Module as of September 29, 2022, to view the List of Electors.

When using this authorization, candidates can connect into the voting system and review

elector list Information to discern which electors have participated in the election. This capability **does not** provide the candidate Information on how an elector has voted, it only provides Information on whether or not they have participated in the election.

Candidates may view this Information at any time after the start of the voting period using the Candidates Module.

VOTING

Voting will commence on October 17, 2022 at 9:00 am through to October 24, 2022 at 8:00 pm.

During the Voting Period, the Help Centre will be open as follows:

- October 17, 2022 – 9:00 a.m. to 6:00 p.m.
- October 18 – 21, 2022 – 8:30 a.m. to 6:00 p.m.
- October 22, 2022 – 9 a.m. to 12:00 p.m.

and on Voting Day between the hours of 8:30 a.m. and 8:00 p.m. At 8:00 p.m. the doors of the Help Centre shall be locked and those in the Help Centre will be permitted to cast their ballot. Touch-tone telephones and internet access is provided. Any telephone provided at the Help Centre shall delete any display options on the telephone.

Prior to the activation of the system by Intelivote, on October 17, 2021 (8:30 a.m.), Intelivote shall allow access by the Auditor to the voting system at the Thames Centre Municipal Office between 8:20 a.m. and 8:29 a.m. by secure ID and password, for the purposes of ensuring that all candidates' names are listed and that no votes have been cast. The system will not be activated until confirmation that all the counts associated with each of the candidate(s) names indicate a "0" total.

Candidates or their scrutineer may be present to verify and ensure that all totals of votes cast are at "0" and shall be required to sign the "Activation of Intelivote System" **Form TC21** that attests to this fact.

Eligible electors may telephone a designated 1-800 number to cast their vote by using a cellular or land line, touch-tone telephone but **not a rotary dial telephone**. "Diga-pulse" telephones will be able to access the system providing the over-ride button on the telephone is set to a "touch-tone" mode. Should the elector be unable to access the system, the interactive response system will provide an error message requesting that the eligible elector obtain assistance from an Election Official.

Alternatively, eligible electors will be able to access a designated internet address and cast their vote(s).

A voter must complete the races and questions in the order that they are presented by the system. The voter cannot skip a race or question.

If a voter chooses, they may use one method to vote some of the races or questions and use the other method to vote the remaining races or questions. However, once a voter has voted on a particular race or question, that race is closed and will not be available for voting again,

regardless of the method.

Once a voter has made a selection for a race or question, the voting system shall indicate the voter's choice and shall allow the voter to either confirm their selection and cast their vote or return to the race or question to change their selection. If the selection of a particular race or question is not confirmed and the vote is not cast, the voter is able to reenter the system and make their selection casting their vote for that particular race or question, or any other race or question that has not been previously voted.

Once the Voter PIN has been used to complete **all** races and/or any questions, associated with the election, it cannot be used again and further access shall not be granted to the telephone/internet voting service using that PIN.

Intelivote shall record the PIN and corresponding name of all electors who have voted. This **does not** provide Information on who an elector has voted for.

The names of electors who have voted during the voting period will be provided to the Clerk electronically through the Intelivote system using the Clerk's assigned password. This report titled "Voter Participation Status" report will be created in an electronic file Format suitable for electronic distribution and will only be done under the control and direction of the Clerk.

If requested in writing by a candidate(s) on the "Declaration of Proper Use of the Voters' List" Form EL14, the Clerk will provide a copy of the daily "Voter Participation Status" where is this from report. This Information shall be made available to candidates through the Clerk's Office.

ELECTORS REQUIRING ASSISTANCE (SECTION 52 (1) 4)

The Election Official may permit an elector who needs assistance in voting to have such assistance as the Election Official considers necessary.

Oral Oath to Vote With Assistance

A voter who requires such assistance to vote may ask the Election Official for assistance. The Election Official shall require the voter making the request to take the Oral Oath to Vote With Assistance on the "Oral Oaths At Help Centre" Form EL27 and then assist and/or vote as directed by the voter. Any other person present must remove themselves until the voter finishes instructing the Election Official.

Oral Oath of Friend/Support Person of Elector

In lieu of the Election Official assisting a voter, the voter may request that a friend accompany them to vote. Any friend or support person who is permitted to vote shall be required to take the Oral Oath of Friend/Support Person of Elector on the "Oral Oaths At Help Centre" Form EL27. A person shall only be allowed to act as a friend for one voter at a Help Centre.

Oral Oath of Interpreter

Where the Election Official does not understand the language of a voter, an interpreter, provided by the voter, shall take the Oral Oath of Interpreter on the "Oral Oath At Help Centre" Form EL27, and shall translate the oaths as well as any lawful questions put to the voter.

DUPLICATE VOTER INFORMATION LETTERS

Duplication of names on the Preliminary List of Electors shall be investigated by the Clerk and/or Election Official(s) and all obvious duplicate names of individuals shall be deleted prior to the final preparation of the Voters' List as certified by the Clerk. However, should an eligible voter receive more than one Voter Information Letter, the eligible voter may only vote **once** and must return the other Voter Information Letter(s) to the municipal Help Centre and complete an "Application to Amend Voters' List" **Form EL15** to remove the duplicate name(s). All electors who vote more than once or who improperly use the Voter Information Letter shall be reported to the Police for further investigation as to possible corrupt practices under the *Municipal Elections Act, 1996*.

Voter Information Letters returned to the Help Centre shall have the PIN immediately disabled in the system so that the PIN cannot be used in the voting process. The opened Voter Information Letters will then be retained in a secure fashion and destroyed in the same manner as all other municipal election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.

The Clerk and the Election Official(s) shall ensure a complete audit trail is maintained of all Voter Information Letters:

- a) that were sent to eligible voters;
- b) that were returned from the Post Office;
 - that were returned by an elector or other individual(s) either opened, or;
 - unopened but unused for voting purposes;
- c) that were set to a status that prevented them from being used to vote;
- d) that were re-issued to an eligible elector; and
- e) that were assigned by Election Officials to eligible electors that have completed "Application to Amend Voters' List" **Form EL15**.

PIN PROCEDURES

Problems Accessing the System

Where an eligible voter has tried his/her PIN and has been unsuccessful in accessing the voting system, the Election Official will determine its status, and once verified:

- shall advise the voter that the PIN is valid and has not been used. The Election Official may suggest the voter try the PIN again using an alternate method (telephone vs. internet) or attend at the Help Centre to obtain assistance in voting.
- and they have determined that it has already been used, the voter can present themselves at the Help Centre with proof of identity and residence as prescribed in *O. Reg. 304/13* and have an Election Official confirm that the elector's PIN has been used. If this is the case, follow the procedure outlined in the section titled, Revision/Help Centre, b) (ii). Where is this?

Incorrect Information on Voter Information Letter

Where an eligible voter has received an incorrect voter PIN in terms of ward, if applicable, and/or school support, the voter can contact the Help Centre and have the proper category

applied to the existing PIN.

If the voter has used the PIN to vote, and the voter determines that the ward, if applicable, and/or school support is incorrect, and they have not voted those races, the voter can contact the Help Centre and have the proper category applied to the existing PIN. The voter can then re-access the system and vote all races not yet completed.

The elector will be required to provide appropriate confirmation of eligibility and to complete "Application to Amend Voters' List" **Form EL15**.

New PIN(s)

New PIN(s) shall not be given out over the telephone or by mail. The voter must attend the Help Centre with proof of identify and residence as prescribed in *O. Reg. 304/13* and complete the appropriate Form.

Thames Centre Voting Period Daily Accessibility Checklist

The purpose of this checklist is to allow you, the election staff, to quickly assess whether or not the Voter Help Centre has barriers for people with disabilities during the Voting Period. If you identify barriers, you should Inform the municipal clerk and/or their designate so the barrier can be addressed as soon as possible. Many barriers can be easily addressed each day voting takes place.

- ☐ There is an accessible way to get from the parking lot to the door
- ☐ The parking area is paved

Accessible parking must be kept clear of snow, piles of leaves or other obstacles to persons with disabilities in order to be accessible.

Pathways to the Building

The path to the accessible entrance is clearly marked with large print signs if it is different from the primary route to the building.

This checklist does not identify all barriers that a person may face at the voting place. Answering positively to the checklist does not mean a voting place is in compliance with such laws as the Accessibility for Ontarians with Disabilities Act (AODA).

- ☐ The path of travel is free of breaks and edges and is clear of debris such as snow, ice and leaves, and low-hanging objects such as tree branches.

- ☐ The path of travel has the necessary curb cuts and ramps so that a person using a mobility device could access the building with ease.

- ☐ The path of travel is well-lit when necessary.

Entrance to the Building

- ☐ The entrance to the building is free of steps or has a ramp.
- ☐ The accessible entrance to the building is unlocked.
- ☐ The accessible entrance to the building has an automatic door opener or there is someone stationed at the door to open it.

Travel within the Building

- ☐ The accessible route to the voting area is clearly marked with large print signs if it is different from the main route and/or if it is not immediately inside the accessible entrance.
- ☐ Interior doors of the designated room for voting are propped open or have automatic doors.
- ☐ Hallways are well-lit and free of low-hanging objects and items protruding from the wall or sitting on the floor.
- ☐ All rugs and mats along the accessible route have low pile and are securely fastened (or removed).

Voting Area

- ☐ Instructions for voting are printed in Large Print (18-point font or larger) and displayed in a convenient and obvious location.
- ☐ The path of travel in the voting area is wide enough for an individual using a mobility device to navigate and turn around with ease (minimum of 5X5 feet).
- ☐ There is a table, counter or voting booth that is extra wide at the bottom (at least 36 inches) and at a good height (between 28 and 34 inches) to

allow someone who uses a mobility device to use it comfortably and reach all parts of the voting equipment.

- ☐ Election workers are trained in using and explaining the accessible voting equipment to voters.
- ☐ Electronic accessible voting equipment is turned on, tested and in proper working order for electors to use when the polls open on Election Day.
- ☐ There is a feasible plan in place to identify when a voter wants to vote curbside, and election workers are aware of the curbside voting policy.
- ☐ Election workers are aware of the special needs of voters with disabilities and are willing to provide reasonable accommodations when requested.
- ☐ The Voter Help Centre has the following:
 - Communication cards or pen/paper to communicate with someone who is deaf or hard of hearing.
 - Magnifying glass to be used by someone with a sight impairment.
 - Extra seating and a policy to allow voters who have trouble standing or walking to wait to vote and maintain their place in line.
