Next Council Meeting:
Monday, April 28th at 5pm
at the Municipal Office (4305 Hamilton Road)

New Fire Truck Joining the Fleet at Thorndale Station

At yesterday's Council Meeting in Thorndale, the Thames Centre Fire Department rolled out its newest fire truck!

Residents were able to see the new truck, which will improve local fire and emergency services in the Municipality.

The truck was made in New Brunswick and will officially join the fleet this month. The new truck features more room for our volunteer firefighters and their equipment, as well as other enhanced safety features, including an enhanced lighting system which will make it easier for firefighters to work at night.

Council Highlights

Community Grants Awarded

At last night's meeting \$14,700 in Community Grants were presented to the Thorndale Horticultural Society, the Thorndale Lions Club, and Thorndale Agricultural Society!

First Quarter Reports Received

Council received a number of quarterly reports at last night's meeting. These included reports on Drainage, Environmental Services, Transportation, Recreation, the Active Living Centre, Legislative Services, Building, Planning, and Fire Services.

These also included a Quarterly Highlights document, which can be viewed online at:

2025 Mini Town Halls Begin in Thorndale

Requesting Improved Safety on County Roads

Based on feedback from our first mini-town hall meeting, Councillor Heeman introduced motions to request that Middlesex County improve safety on county roads in Thames Centre.

The motions included a reduced speed limit on Thorndale Road going westbound, to ensure a smoother transition when entering the village, and assessing the need for a crosswalk at Catherine Street and Richmond Street in Dorchester.

Councillor Lockie will host our next mini-town hall meeting on April 15 at the FlightExec Centre in Dorchester!
